Fictional Northfield matter. Prepared by Ada Mercer, 18 September 2025.

Prices for 2026 will rise by 2.8% in line with clause 4.1, and the revised Price Schedule is enclosed. Delivery days to the Fenmoor depot remain Tuesday and Friday. We would welcome a review meeting in October to discuss shelf-life reporting. Neither party has served notice to terminate, so the Agreement will simply continue into its second year. Yours sincerely, Ada Mercer, General Counsel, Northfield Supplies Ltd.
